

Leadership Development

Our 3-month asynchronous curriculum to build stronger APP leadership pipelines and prepare future leaders.

Overview

ThriveAP Leadership Development prepares experienced APPs to grow their influence through clinical, team, operational, and organizational leadership. Through flexible, on-demand education, participants build practical leadership skills they can apply to communication, team performance, decision-making, and broader organizational priorities. ThriveAP Leadership Development helps providers strengthen confidence and prepare for greater responsibility beyond individual clinical practice.

About ThriveAP

ThriveAP is not only a clinical training partner, but also a long-term workforce development partner. ThriveAP supports APPs not only as clinicians, but as future leaders. By taking advantage of both the 12-month Transition to Practice (TTP) program and our 3-month Leadership Development programs, employers can build long-term retention strategies, ensuring cost savings, efficiency, and improved access to care.

Leadership Programs

APP Leadership Foundations

- Best for APPs beginning their leadership journey or preparing for first leadership responsibilities

Team Leadership

- Best for APPs leading teams, guiding peers, or supporting day-to-day operational performance.

Executive Leadership

- Best for APPs expanding into broader organizational, strategic, or executive-level leadership roles.
