

CURRICULUM OVERVIEW

Executive & Strategic Leadership for APPs

ThriveAP's Leadership Development

ThriveAP Leadership Development prepares experienced APPs to grow their influence through clinical, team, operational, and organizational leadership. Through flexible, on-demand education, participants build practical leadership skills they can apply to communication, team performance, decision-making, and broader organizational priorities.

Program Framework

Executive & Strategic Leadership for APPs prepares experienced APP leaders to confidently navigate complex organizational challenges and contribute at the enterprise level. Through practical, applied learning, participants develop the strategic, financial, and executive leadership skills needed to drive organizational performance, guide large-scale change, strengthen APP integration, make data-informed decisions, and advance quality, growth, and long-term organizational strategy.

Format: Asynchronous Webinars Delivered Weekly Over 3 Months
