

Empower Your NPs & PAs in Family Medicine

Accelerate onboarding, improve provider confidence, and expand access to high-quality care through structured education, coaching, and professional development.

KEY OUTCOMES

Improved Patient Access to Care

Enable NPs and PAs to provide evidence-based care with greater confidence and efficiency.

Accelerate Provider Ramp-Up

Reduce onboarding time and support providers in reaching full productivity faster.

Strengthen Provider Retention

Invest in professional development that increases engagement, satisfaction, and long-term retention.

Optimize Workforce Performance

Improve documentation, coding, communication, and clinical decision-making.

PROGRAM SNAPSHOT

12-Month Comprehensive Program

46 weeks of live instruction

1:1 Faculty Mentoring

100+ hours of CME/CE credit

Rolling Enrollment

Peer to Peer Learning Community

Dedicated Client Success Manager

PROGRAM OVERVIEW

ThriveAP's Family Medicine Program is a 12-month comprehensive curriculum to help employers attract, retain and upskill nurse practitioners (NPs) and physician associates (PAs) to develop confident and competent family medical care.

Our live and online courses, with 10 start dates annually, improve access to care, mitigate learning gaps, and educate providers to efficiently address the complex patient needs in family medicine.

WHO SHOULD ATTEND?

- ✓ **Newly hired** NPs and PAs entering family medicine
- ✓ **Experienced** APPs transitioning into family medicine
- ✓ Organizations seeking to **improve onboarding and retention**
- ✓ Healthcare systems **expanding family medical services**
- ✓ Medical groups focused on **APP workforce development**
