

Empower Your NPs & PAs in Hospital Medicine

Accelerate onboarding, improve provider confidence, and expand access to high-quality hospital care through structured education, coaching, and professional development.

KEY OUTCOMES

Improved Patient Access to Care

Enable NPs and PAs to provide evidence-based care with greater confidence and efficiency.

Accelerate Provider Ramp-Up

Reduce onboarding time and support providers in reaching full productivity faster.

Strengthen Provider Retention

Invest in professional development that increases engagement, satisfaction, and long-term retention.

Optimize Workforce Performance

Improve documentation, coding, communication, and clinical decision-making.

PROGRAM SNAPSHOT

12-Month Comprehensive Program

46 weeks of live instruction

1:1 Faculty Mentoring

100+ hours of CME/CE credit

Rolling Enrollment

Peer to Peer Learning Community

Dedicated Client Success Manager

PROGRAM OVERVIEW

ThriveAP's Hospital Medicine Specialty Program is a 12-month comprehensive curriculum to help employers attract, retain and upskill nurse practitioners (NPs) and physician associates (PAs) to develop confident and competent care in the hospital setting.

This program is endorsed by The American Academy of Emergency Nurse Practitioners (AAENP). The educational programming is also in alignment with the Accreditation Council for Graduate Medical Education and Internal Medicine Milestones Framework, as well as in collaboration with University of Texas Medical Center, Baylor Scott & White Health, Adena Health System, Riverside Healthcare, and more.

WHO SHOULD ATTEND?

- ✓ **Newly hired** NPs and PAs entering hospital medicine
- ✓ **Experienced** APPs transitioning into hospital medicine
- ✓ Organizations seeking to **improve onboarding and retention**
- ✓ Healthcare systems **expanding hospital medical services**
- ✓ Medical groups focused on **APP workforce development**
